

Ion™ 98 Variable-Speed Modulating Gas Furnace **G97CMN**

Enjoy ultimate comfort even in the coldest weather with our highest efficiency gas furnace product. It features modulating gas heat performance that delivers incredible temperature control and quiet performance. The variable-speed blower also means you'll enjoy better summer dehumidification and a possible SEER boost as your furnace works with your cooling unit to help pull moisture out of the air. Pair it with a compatible air conditioner for full functionality and a full communicating system using the Ion™ System Control.

- Up to **98% AFUE** rating
- Outstanding level of motor electrical efficiency
- ENERGY STAR® qualified on all models

Timely registration required. See warranty certificate for details and restrictions.

FEATURES & BENEFITS

- Variable-speed blower motor and modulating gas valve provide our ultimate levels of even temperature control and comfort
- Dual fuel capable with compatible heat pump & thermostat for energy-saving heating performance
- As a modulating furnace, it operates at lower stages most of the time to save energy, smoothly ramping up the heat as temperatures drop
- Fully insulated cabinet helps keep the heat moving to your ductwork and provides quiet operation
- Air purifier and humidifier compatible
- Wi-Fi® enabled remote access with the Ion™ System Control‡

BACKED BY EXCEPTIONAL WARRANTIES

Our No Hassle Replacement™ limited warranty means comfort with no questions. Your unit will be replaced if the heat exchanger fails within the covered period.

- 10-Year No Hassle Replacement™ Limited Warranty*
- 10-Year Parts Limited Warranty upon timely registration+
- Lifetime Heat Exchanger Limited Warranty upon timely registration‡

ClimateCare is Ontario's largest cooperative of local, independent heating and cooling retail contractors. We offer a 100% Satisfaction Guarantee - if you are not happy with our service, we'll make it right.

THE CLIMATECARE DIFFERENCE *Get to know our units*

For those that want to get to the heart of our units, we've outlined some specs below to give you a detailed view of the unit you're investing in. We believe in transparency and we 100% stand by the quality of the furnaces we sell and the expertise of your local ClimateCare member. It's just part of the ClimateCare difference.

SPECIFICATIONS

- High efficiency variable-speed, constant airflow ECM blower motor
- Variable-speed induced draft combustion motor
- Modulating gas valve with range of 40%-100% capacity
- RPJ® (Rigid Press Joint) primary heat exchanger, stainless steel secondary heat exchanger
- High temperature limit control prevents overheating
- Solid, pre-painted steel insulated cabinet with tight fit door latch system
- Sound-reducing features: soft mounted blower and inducer motor
- Compatible thermostat: Ion™ System Control for full function and efficiency capability, Wi-Fi® remote access convenience and intelligent diagnostics
- Heating capacity: 60,000-120,000 BTUh
