WHO SAYS, “THEY DON’T BUILD THEM LIKE THEY USED TO?”

AIR CONDITIONERS | FURNACES | DUCTLESS SYSTEMS | HEAT PUMPS

REAL LIFE TESTED

EACH UNIT IS 100% RUN TESTED AND DESIGNED TO GIVE YOU EXCEPTIONAL QUALITY, ENERGY EFFICIENCY AND RELIABLE PERFORMANCE.

EXCEPTIONAL WARRANTIES

OUR HOME COMFORT SYSTEMS ARE BUILT TO THE HIGHEST STANDARDS AND BACKED BY WARRANTIES THAT LEAD THE INDUSTRY.

CUSTOMIZED TO YOU

WHETHER YOUR NEEDS INCLUDE A BUDGET FRIENDLY OPTION OR A MORE CUSTOMIZED HOME SOLUTION, WE’VE GOT YOU COVERED!

SUPERIOR QUALITY

PRODUCTS BUILT UPON YEARS OF MANUFACTURING EXPERTISE, STATE-OF-THE-ART TESTING AND THE HIGHEST IN QUALITY CONTROL STANDARDS.

Imagine a cozy, quiet and energy-efficient home where indoor air quality is never a worry. All you and your family have to do is relax and be comfortable.

That's the peace of mind you get with ClimateCare's complete home comfort solutions. All of the products we install and service are backed by advanced engineering and quality manufacturing so you can enjoy more important things.

In fact, we put the same furnaces, air conditioners, ductless systems and heat pumps that we would install in our homes and yours, through rigorous testing such as extreme weather conditions and corrosive environments. It's this commitment to excellence that allows us to offer exceptional warranties, meet the highest industry standards, and deliver energy saving comfort that is built to last.

That's why, when it comes to peace of mind, your confidence and comfort is our commitment.

AIR CONDITIONERS

YOU NEVER HAVE TO LOSE YOUR COOL

- Communicating capability

10-YEAR NO HASSLE REPLACEMENT™ WARRANTY*

10-YEAR PARTS LIMITED WARRANTY†

LIFETIME HEAT EXCHANGER LIMITED WARRANTY‡

DUCTLESS SYSTEMS

CLIMATE-CONTROLLED AIR WITHOUT DUCTWORK

Ductless systems, or mini-splits, are a convenient, economical and energy-efficient air conditioning and heating solution that can be used in one room or easily expanded to multiple rooms.

HIGH EFFICIENCY

Our systems provide improved temperature regulation, increased energy and cost savings. With up to 40.0 SEER, 14.5 HSPF, and ENERGY STAR® certification across our ductless portfolio, we have one of the highest efficiency ratings in the world.

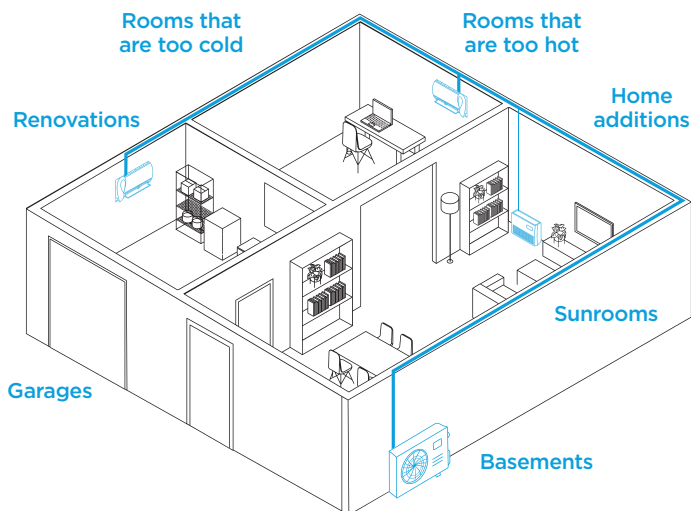

QUALITY PERFORMANCE

Our solutions deliver quality performance across a broad range of temperatures for year-round comfort control. In fact, our ductless systems can heat in temperatures as low as -30°C and cool in those as high as 50°C.

COOL INNOVATION

Our inverter compressors feature variable power that automatically adjusts the running speed to maintain the desired temperature. That way, our units run quietly and offer significant energy savings.

SPACES THAT BENEFIT FROM DUCTLESS SYSTEMS

SINGLE ZONE PERFORMANCE

- Up to 18.8 SEER cooling
- Up to 11 HSPF heating
- 4 fan speeds
- Quiet operation:
 - outdoor as low as 52 decibels
 - indoor as low as 25 decibels
- Cooling only option

10-YEAR PARTS LIMITED WARRANTY†

SINGLE ZONE COMFORT

- Up to 25.5 SEER cooling
- Up to 12.7 HSPF heating
- 4 fan speeds
- Quiet operation:
 - outdoor as low as 54.6 decibels
 - indoor as low as 25 decibels
- Primary heat source without backup:
 - heat output up to 69% of rated capacity down to -30°C (100% at -15°C)
- Multiple indoor unit styles to fit any application or need

10-YEAR PARTS LIMITED WARRANTY†

SINGLE ZONE DELUXE

- Up to 40.0 SEER cooling
- Up to 14.5 HSPF heating
- Fully modulating fan speeds
- Quiet operation:
 - outdoor as low as 55 decibels
 - indoor as low as 29 decibels
- Primary heat source without backup:
 - heat output up to 75% of rated capacity down to -30°C (100% at -17°C)
- Built-in occupancy sensor
- Humidity control

10-YEAR PARTS LIMITED WARRANTY†

MULTI ZONE COMFORT

- Up to 21.4 SEER cooling
- Up to 10.8 HSPF heating
- Multi zone outdoor units can pair with up to five of the indoor units leveraged by single zone residential outdoor units
- Multiple options of indoor unit styles to fit any application or need
- Heating operating range -30°C to 30°C
- Quiet outdoor operation as low as 62 decibels

10-YEAR PARTS LIMITED WARRANTY†

HEAT PUMPS

DOING MORE WITH LESS

Through innovative solutions it's now easier and more affordable to make your home comfortable. Heat pumps are an alternative and environmentally friendly option that absorbs heat from the outside air to heat your home in the winter and acts as a normal air conditioner in the summer. Talk about doing more with less! Ask us about our other heat pump options.

ENERGY SAVING COMFORT

CSH6

- Single stage
- Up to 16 SEER cooling
- Up to 9 HSPF heating
- Sound as low as 67 decibels
- Dual fuel capable with a compatible gas furnace and thermostat for energy saving heating
- Communicating capability

5-YEAR NO HASSLE REPLACEMENT™ WARRANTY*

10-YEAR PARTS LIMITED WARRANTY*

HIGH EFFICIENCY CONTROL

CCH6

- Two stage
- Up to 17 SEER
- Up to 9.5 HSPF heating
- Sound as low as 68 decibels
- Improved temperature and summer humidity control
- Communicating capability

10-YEAR NO HASSLE REPLACEMENT™ WARRANTY*

10-YEAR PARTS LIMITED WARRANTY*

WORRY-FREE COMFORT

Our products are backed by exceptional warranties that give you additional comfort and peace of mind.

See Warranty Certificate for details.

The No Hassle Replacement™ Limited Warranty is offered on many of our products. It means comfort with no questions. You will receive a replacement unit if a major component (the compressor, coil or heat exchanger) fails during the coverage period.

Timely registration required.
See Warranty Certificate for
details and restrictions.

Our equipment carries a limited warranty on all functional parts. Most of our units feature an outstanding 10-year parts limited warranty* for additional peace of mind. Other key components, such as heat exchangers, may carry a longer limited warranty. Look for specific details in the product description or check the Warranty Certificate.

OUR WARRANTY OPTIONS ARE HARD TO SURPASS,
JUST LIKE OUR DEPENDABLE PRODUCTS.

* 10-YEAR PARTS LIMITED WARRANTY: Timely registration required for 10-year parts limited warranty. Limited warranty period is 5 years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see Warranty Certificate for further details and restrictions.

† NO HASSLE REPLACEMENT™ LIMITED WARRANTY: If compressor, coil or heat exchanger fails due to defect during the applicable No Hassle Replacement limited warranty time period, a one-time replacement with a comparable unit will be provided.

‡ To the original owner, when product is used in an owner-occupied residence, a Lifetime heat exchanger parts limited warranty upon timely registration of your new equipment. Warranty period is reduced to 20-years (from Lifetime) on heat exchanger if not registered within 90 days. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive the extended registered heat exchanger parts limited warranty period. See Warranty Certificate for details.

Protect your investment with a “WeCare” Maintenance Plan

You have thousands of dollars invested in equipment.

The best way to protect that investment is with regular maintenance. Like your car, if equipment is well-maintained, it will be safer, run better, use less energy and last longer.

ClimateCare's WeCare Maintenance Plans help to ensure the best performance of your essential home comfort equipment for a low monthly subscription. Our plan includes annual precision tune-ups to keep your system in top performance.
